Do you have little time but a lot to know? Take this special package that will allow you to travel part of the Inca Trail, crossing the cloud forest and knowing iconic archaeological remains such as the Inti Punku (Gate of The Sun) until you reach the incomparable Machu Picchu. Adventure is guaranteed!

ITINERARY

Day 01

- 1** CUSCO / MACHUPICCHU
Transfer from the hotel to the train station to get to Km. 104, where the Inca Trail begins.
- 2** During the train's journey, you will pass through some towns and enter the Sacred Valley of the Incas, where we will have admirable views of the mountains of the Urubamba Cordillera that surround the valley.
- 3** Starting the Inca Trail, with the guide you will visit Chachabamba, and then walk about 3 to 4 hours inside an Andean rain forest, passing through an impressive waterfall of crystalline water, then arrive at the ruins of Wiñay Huayna.
- 4** After lunch, we will continue walking for an hour and a half more, until we reach the Inti Punku from where we will appreciate a magnificent view of Machu Picchu, the sacred city of the Incas.
- 5** After enjoying the landscape and the sanctuary, we will go down to the town of Aguas Calientes, where dinner is on your own and we will spend the night.
